Dr. Prem Prakash Yadav

Chairman's Message

Dear Student,

I am delighted as a chairman of **R.K. PHARMACY COLLEGE**, Prakash Nagar, Sathiaon, Azamgarh to announce the successful completion of **D. Pharm, B. Pharm & M. Pharm. (Pharmacology)**. The importance of Education can never be over emphasized with the development of specially bio- science, advent of newer techniques of drug making and addition of drugs and formulation to the pharmacopoeia.

The Pharmaceutical Technology and its development is also Increasing. In order to cope up with this sophisticated field our motto is to give the best education and produce some tech-savvy professionals.

It is a boon for the students of under developed eastern U.P. & I am sure they will be amply benefitted by this college.

My best wishes for the development of this college, students & all the citizens.

Welcome to **R.K. PHARMACY COLLEGE**, Prakash Nagar, Sathiaon, Azamgarh.

With blessings.

Dr. Prem Prakash Yadav

(Chairman)

(Ex. Principal DAV. P.G. College, Azamgarh)

Managing Director Message

I am feeling very pleased to serve as a Managing Director of **R.K. Pharmacy College** under the leadership of honorable chairman Dr. Prem Prakash ji.

The key aim is to deliver quality material to ensure an astute balance between regular course study and technology-based study to as per the current requirement and enable students to compete at the international level. in order to achieve the aforesaid objective we regularly conduct class test, quizzes and tutorials for continuous improvement of the students.

As a parent, you definitely want the best for your child; and we are happy to be working with you to make sure that they are given the true knowledge to face the tasks in their career in the right direction.

Mr. Vishal Kumar Yadav

Director's Message

I am delightful today to announce as a Director, of R.K. Pharmacy College, Prakash Nagar, Sathiaon, Azamgarh for D. Pharm, B. Pharm & M. Pharm (Pharmacology) course. In these years of great strides this institute has placed itself in such a position that it is presently becoming a premier institute in Eastern U.P.

We started with the view and motivation to produce quality professionals in the field of highly sophisticated technology. We are dedicated to our commitment and ready to face all shorts of challenge in producing the best and skilled professionals to the society.

We believe in the value based education, accordingly we treat and train our students to fit in the excellence of pharmaceutical education.

We provide best education as per the guideline and infrastructure of PCI. Expert and experienced faculties with their academic skill and hard work are making our dreams come true. Through this we may strengthen the hands of the novel profession.

Dr. Abhay Pratap Yadav
